【Minimum Number of Candidates to be Accepted】

Two (2)

【Program Details】

1. Support for the Acquisition of the National License as a Certified Caregiver

Accepting company (Place of employment after Graduation) Interview with the person in charge

Exchange of various agreements, Visa Application, Medical Examination,

Payment of preparation costs before Entry in Japan

Entry to Japan

Sign lease contract with apartment, Preparation for one's living

Admission to Kanazawa Welfare College (2 years study + Acquisition of Certified Caregiver License or Secure Provisional License for Certified Caregiver)

※Provisional License for Certified Caregiver: March 2017 to March 2021 Graduates
Graduates in this period of time can secure a provisional license for a certified caregiver, that is valid for 5 years after graduation. You can take the National Examination and pass within the 5 years, or basically get the full License if you worked for 5 years consecutively in a facility.

Work in a Nursing Care Facility in Japan under the Resident Qualification: “Caregiver”

In the case of Foreign Exchange Students***

Caregiver Visa* (Expected to be within 2017) *Coverage of Activity: "One who possess a Caregiver License can in activities relating to Care or teach regarding Nursing Care."	5 years at most (Renewal is allowable)	*Requirements: • Only applicable to who studied at colleges or universities that teach Care in Japan and has license as Certified
---	---	--

2. Provision of Part-time work while studying (According to the Immigration, part-time jobs are allowable as long as it does not hinder the actual coverage of activities of the Resident Status.)

①While studying for 2 years, having a part-time job is allowable (Place of employment will be provided by Suncare Holdings)

Ex: ¥800 rate per hour x 1 year allowable working time x ¥1,000,000 (Total amount) ➡ After tax deduction ¥996,000 ➡ ¥83,000 per month

3. Possible to work in a stable and long-term job

If you can continuously work for 7 years after employment, you can apply for Permanent Residency in Japan and expect a long term employment. Unlike the Technical Intern Trainee Program (Caregiving), you are not obligated to return to your country after a certain period of time so you can rest assure that you can have a secured employment. Transferring to a different company or facility is also possible.
